- A. Forward Contract.** The Client may request the Company to enter into a Forward Contract with the Client by delivering an Instruction. Each Forward Contract will be governed by the provisions of this Addendum.
- B. Payment Purpose.** The Client confirms, represents and warrants that each Forward Contract it enters into with the Company is to facilitate payment for identifiable goods or services.
- C. Forward Contract Confirmation.** For each accepted Instruction for a Forward Contract pursuant to Section 3.8 of the Terms and Conditions, the Company will send the Client a Transaction Confirmation Form. The Client is responsible for checking the accuracy of the Transaction Confirmation Form. If the Client agrees that the Transaction Confirmation Form corresponds with its Instruction to the Company then the Client should sign the Transaction Confirmation Form and return it to the Company by email or fax immediately. The Company may act on the Client’s Instruction to enter into a Forward Contract without receiving a signed Transaction Confirmation Form from the Client. However, if the Client fails to return the signed Transaction Confirmation Form to the Company within one (1) Working Day of the Company sending the Transaction Confirmation Form to the Client, then pursuant to Section 7.2 of the Terms and Conditions, the Company may exercise its discretion to cancel and not fulfill the Client’s Instruction for a Forward Contract.
- D. Forward Contract Partial Prepayments and Additional Partial Prepayments.**
- (i) Unless otherwise agreed by the Client and the Company in writing (or as contemplated by the Client’s Facility (if any)), within two (2) Working Days of the Client’s Instruction to enter into a Forward Contract, the Client must transfer to the Company a Partial Prepayment equal to an agreed percentage of the nominal value of the Forward Contract.
  - (ii) During the term of a Forward Contract (i.e. at any time until the Maturity Date), the Company may request, on more than one occasion, and the Client agrees to provide to the Company within two (2) Working Days of each such request, a Partial Prepayment (if not already provided) and/or Additional Partial Prepayment.
  - (iii) If the Client has two or more outstanding Forward Contracts, each such Forward

Contract will be re-valued individually and each Forward Contract exposure will be netted with other Forward Contracts individual exposures to establish the Company's overall exposure for all Forward Contracts entered into by the Company with the Client.

(iv) Such Partial Prepayment(s) and/or Additional Partial Prepayment is (are) intended to maintain the relative value of the funds to be purchased from or sold to the Company or, to address, in the Company's sole discretion, an adverse change in the Client's financial standing and/or credit worthiness or to address any changes to the Facility granted by the Company.

(v) The Partial Prepayments and Additional Partial Prepayments will be held by the Company in relation to the Client's debts (corresponding to the Company's receivables) from all outstanding Forward Contracts at any time. The Company will be entitled to set off such Partial Prepayments and/or Additional Partial Prepayments against the Client's total payment obligations owed to the Company with respect to any outstanding Forward Contract on its Maturity Date or any other applicable due date.

**E. Delivery of Funds.** Once the Settlement Amount in relation to a Forward Contract has been received by the Company, the Company will deliver the related funds to the Client in accordance with the Client's Instructions. The Client shall provide to the Company, at least two (2) Working Days before the Maturity Date, or any Draw Down date, the necessary remittance details and Instructions to initiate the payment to the Payee.

**F. Draw Down.** The Client may Draw Down against a Forward Contract during the Delivery Window; provided, however, the Company has received the Settlement Amount in immediately available funds corresponding to the amount of the Draw Down. Notwithstanding any Draw Down, the Client shall be required to provide the full Settlement Amount (or any remaining balance) to the Company in immediately available funds in connection with a Forward Contract on or before the end of the Maturity Date.

**G. Rollover.** In the event that the Client desires to rollover a Forward Contract, or any portion thereof, before the Maturity Date, the Client may do so; provided, however, certain terms, conditions and costs (if any) are agreed in advance by the Client and the Company.

**H. Termination.** If the Client: (i) fails to deliver to the Company any Partial Prepayment and/or Additional Partial

Prepayment(s) required in relation to a Forward Contract; or, (ii) communicates to the Company any intent not to provide to the Company any Partial Prepayment and/or Additional Partial Prepayment(s) required in relation to a Forward Contract; or (iii) disputes the validity or existence of a Forward Contract; or (iv) defaults, or communicates its intent to default, on any of its obligations described in the Terms and Conditions and/or in this Addendum, specifically those described in Section 2(D) above; or (v) the Company determines in its sole discretion (acting reasonably) that the client has not entered into a Forward Contract to facilitate payment for identifiable goods or services but for some other reason, the Company may terminate and unwind, without any notice to the Client, the relevant Forward Contract and/or any other outstanding Forward Contract(s) without any liability to the Company and/or take any other steps that the Company deems appropriate (including any actions contemplated under Section 7.2 of the Terms and Conditions) to mitigate the potential loss(es) caused by the Client's failure to honour its contractual obligations under the Forward Contract(s). In the event of such termination, the Client agrees to pay to the Company on demand within five (5) Working Days the amount of any and all losses and expenses incurred by the Company in connection with the termination and unwinding of the Forward Contract(s). Where a Forward Contract has been terminated, the Client agrees that the Company's sole liability to the Client shall be to return any amounts the Client actually paid to and received by the Company that remain after deducting all amounts owed to the Company. Except as contemplated in this Section 2(H), the Client understands that a Forward Contract, once agreed and entered into, cannot be terminated.

**I.** The Client acknowledges that the foreign currency market is volatile. The Client expressly acknowledges this market risk and accepts the risk that the value of the Forward Contract may weaken/strengthen during the period it is open and that the value of the amount of currency which the Client has agreed to sell to, or purchase from, the Company may be less/more favourable than the then current price for the currency. The Client represents and warrants that the Client has entered into this Addendum for lawful and commercial/business purposes only and not for the purpose of investment or speculation and that each Forward Contract it enters into with the Company is to facilitate payment for identifiable goods or services
